TSI Waiver Form
Exception for Non-degree Student

Full Legal Name:

Last 4 digits of SSN:

I seek a waiver from the Texas Success Initiative (TSI) requirements under the provision of Texas law TEC 51.306[t]. I understand that I must not be enrolled to seek a degree or Level-Two certificate or degree from a Texas public institution of higher education. Should I decide to seek a degree or Level-Two certificate from a Texas public institution of higher education, I understand that it is my responsibility to inform the institution of my decision. I understand that I must comply with all requirements of the Texas Success Initiative under TEC 51.306 and that I must take a test approved for TSI purposes prior to the beginning of the first academic term as a degree or certificate-seeking student. Should I complete all requirements for a degree or Level-Two certificate prior to declaring my intent to seek same, I understand that I cannot be awarded a degree or Level-Two certificate until I have met all TSI requirements.

I realize that I will not be considered exempt or waived unless the required documentation is provided.
